B.A. Computer Science

College of Letters and Science

**Cypress College**

*August 2014 - May 2018*

AA-T Psychology

## CARRIER OBJECTIVE

---

To work for a tech company which allows me the opportunity to demonstrate my skills and abilities that help the company and myself to simultaneously grow.

## PROJECTS

---

**Website for Tehillim School of Worship**

Redesigned the entire website, as well as implemented current information, roster, and schedule for the Christian Tehillim School of Worship, located in Pakistan.

**Website for Artesia City Church**

Redesigned the entire website for the Protestant Christian ministry held at Artesia City Church.

## TECHNICAL STRENGTHS

---

**Web Development**

HTML, CSS, Javascript

**Programming**

Python

## WORK EXPERIENCE

---

**BTZ LLC.**

March 2013 - Present

*Assistant Manager*

- Prepare and validate accuracy of inventory reports to ensure employees are well-stocked.
- Review and submit invoices for vendor payment.
- Establish and manage customer and employee relations.
- Train new employees how to function effectively within the business and how to manage varying customer numbers.
- Developed online presences using services such as Yelp and Google to reach potential customers. Created loyalty card programs to promote customer retention.

**Artesia City Idndian/Pakistani Church**

September 2015 - Present

*Volunteer*

- Planned and hosted community events alongside church leadership in order to attract new church members.
- Attended cultural and religious festivals to help communities connect with their faiths.
- Lead Churchs youth group program

## **Artesia City Community Development Center**

January 2012 - August 2013

### *Intern*

- Worked alongside the directors to manage a non-profit organization.
- Ways we helped the community included assisting the disadvantaged with job placement and reducing youth crime rate.
- Contacted banks and investors as well as community businesses and proposed ways that the community center would benefit everyone.
- Marketing and community outreach
- Active volunteering within the centers hosted events, such as the Homeless count, in which the organization split into groups of five and distributed food to the homeless that resided under riverbeds. The homeless population was then brought to awareness about our organization, and how we can assist them in solving their problems.

## **ACADEMIC ACHIEVEMENTS**

---

Dean's List (Cypress College) - Placed on the Dean's List at Cypress College from August of 2014 to June of 2018.
